Membership engagement

I/We the undersigned wish to become a Member/Joint Members and agree to abide by the BGSC Rules and support the Club in every way.

It is understood that membership is subject to BGSC Committee acceptance and that the initial subscription should accompany this form.

The BGSC would ask that you consider paying your annual subscription by Bank Standing Order which has been incorporated into this application form for your use. **For your first year of Membership, please remit your annual subscription by cheque or postal order made out to The British Gordon Setter Club.**

It is assumed that you will have no objection to the Club holding your membership details on manual or computer records nor your name and address being passed on to The Kennel Club, or any other Club approved canine organisation, if so required under regulations to do so.

When fully completed, this form and the initial subscription should be returned to the BGSC Secretary:

Benefits of membership

The Club was founded in 1927 for the betterment of the Gordon Setter. Today we are the largest UK Gordon Setter society with over 800 members. In addition to our UK members we have members in most overseas countries where Gordon Setters can be found. We also have a free (under 16 years of age) Junior membership grade to encourage the young Gordon owner.

For the very modest subscription you receive annually a full colour illustrated yearbook of some 140 pages and a magazine at Christmas, called *The Gordoner* full of stories, articles and anecdotes. There is also a Club Shop where all manner of Gordon items can be purchased.

For the pet owner your subscription will bring you the above to keep you in touch with the breed plus that essential contact with other Gordoners for advice when you may need it.

For those who are interested in showing their Gordon the Club runs annually an Open Show and a Championship Show plus seminars and matches etc. For those who want to work their dogs we also run the occasional field trial training day.

What matters is that your subscription helps towards maintaining the standard for the breed to which this Club is dedicated.
